

DESK POWER / BUILT-IN POWER / CABLE ACCESS

# POWER, BUILT INTO THE SPACE.

PRODUCT CATALOG / GLOBAL B2B BUYER EDITION

A concise collection for model selection, destination-market configuration and project inquiry.

## ONE PAGE BEFORE THE PRODUCTS

# Choose the format. Confirm the exact model.

This edition is designed for fast first-stage selection. Start with the product format, Product Series or project context, then share the model code for a configuration review.

01

**BROWSE**

Review the white-background product view and current features.

02

**SHORTLIST**

Keep one model code or compare several relevant formats.

03

**CONFIRM**

Share destination market, installation and required functions.

04

**INQUIRE**

Request a model-specific sample or quotation discussion.

**PRODUCT FORMAT**

Flush / Recessed / Sliding / Flip-up / Rotating / Pop-up / Clamp-on / Track / Cable access

**PRODUCT SERIES**

**Standard: focused core options**  
**Commercial: recommended main range**  
**Premium: enhanced project options**

**PROJECT CONTEXT**

Workplace / Hospitality / Shared spaces / Commercial interiors / Transport inquiry / Furniture OEM

**CURRENT EDITION / 18 PRODUCTS**

Final outlet, plug, cable, electrical requirements and applicable documents are confirmed by exact model and destination market.

[SEND INQUIRY](#)

CONFIGURATION BEFORE COMMITMENT

# Prepare the exact model for the destination market.

The product image is a starting point. The final quotation is based on the selected model, required interfaces, destination market and available supporting documents.

SOOYE STUDIO

## Destination-market plug options

Select the required country configuration during the model-specific inquiry.

Australia

North America

United Kingdom

Europe

Schuko

China

Italy

Switzerland

South Africa

Availability, electrical ratings and applicable documents are confirmed by exact model and destination market.

01 / OUTLET

Socket layout and interface combination

02 / PLUG

Destination-market plug type

03 / CABLE

Cable length, conductor and routing

04 / ELECTRICAL

Ratings and project requirements

05 / DOCUMENTS

Applicable files reviewed by exact model
